FEATURES

Modern style, Great views

www.hotelcommonwealth.com

Located in the heart of Kenmore Square, the Hotel Commonwealth is close to Fenway, Boston University, and other Hub favorites. You'd do well to take your visit to the next level by checking into one of their signature suites. Top honors here go to "The Loft," which has the feel of an upscale artist's garret, complete with whitewashed brick walls, a pool table, and a rotating gallery of works by Boston artists.
