**T**his is the season to dust off your caps and gloves. With [MLB](#) opening day right around the corner (April 4, to be exact), baseball fans are getting ready for the long months ahead filled with team rivalries, victories and losses, and those crowd-roaring homeruns. If you're traveling to see a game, running a fantasy team, or just want to be near the energetic parks, these five hotels offer themed deals perfect for a baseball enthusiast.

### 1. HOTEL COMMONWEALTH IN BOSTON, MA

They don't call themselves the official hotel of the [Boston Red Sox](#) for nothing. Baseball fans can now book [Hotel Commonwealth's](#) brand new [Fenway Park suite](#), a 700-square-foot space decorated in [Red Sox](#) memorabilia—from #6 on the Green Monster scoreboard (originally given to baseball player [Johnny Pesky](#)) to a coffee table signed by numerous Red Sox legends. And if you think the inside is impressive, check out the balcony view showcasing [Fenway Park](#), located not even a mile away from the suite. The hotel also offers several [baseball packages](#) to get fans closer to the team, more than ever before. Attend a VIP pre-game tour before the first pitch, get front row seats, and even personalize a message that will be shown on the scoreboard during the game. *From \$199*
