The 20 Coolest Secret Hotel Amenities

by Jordi Lippe-McGraw

When booking a trip, many travelers like to research the [perks and bonuses](#) that come along with their hotel stay. Luxury accommodations come with the expectation of top-notch service, stunning lobbies, decadent spa treatments, and well-appointed suites, but some offer amenities that go beyond the chocolate on your pillow at night or even complimentary car service.

Typically, above par offerings are advertised as a way of luring guests for an overnight, but most people don't know that some hotels offer "secret" amenities. These features are so furtive that even seasoned travelers wouldn't know about them unless seen first hand. The bonuses range in type from [one-of-a-kind experiences](#) to amazing take-home goodies and often reflect the local culture in a unique way. Think things like beekeeping, hidden menu items, surprise gifts, or the opportunity to hold a rare item that only few in the world will ever be able to touch.

To find out about these special experiences or gifts, guests would have to rely solely on word of mouth, be considered a VIP, or just be surprised upon arrival. Many of the secrets are so exclusive that even the concierge would be confused if you called and asked about them.

Luckily, *Travel + Leisure* has been able to dig up a few of these amenities to give you an edge when booking your next trip or simply feel like you're part of some exclusive club.

Hold the World Series Trophy
